

31 days of prayer for baby

31 days of prayer for baby tackles subjects like obedience, grace, faith, judgment, friendship, wisdom, prosperity, and blessings. This bedside book is more than a novelty. It is a necessity. It is perfect for new parents, parents, grandparents, and baby enthusiasts alike. It is a practical instructional manual that takes you back to the essence of prayer. Additionally, 31 days of prayer for baby can be read daily by date or by topic. This allows readers the opportunity to pray based upon specific needs, which is exactly how this book was birthed by author Jessica Garrett Modkins. Each daily prayer guides you through putting God in remembrance of His Word, as you speak blessings, favor, and victory over your little ones life.
