

Alices Adventures in Wonderland: The Best of the Classics

Imagine a world where reality is upside-down and the impossible is commonplace! A place where animals talk, fans make you change, white roses are painted red, and cats grin. This is Wonderland, a world that comes to life by the pen of Lewis Carroll and Alice, a curious little girl who follows a white rabbit into a rabbit-hole on a hot summer day. Possessed of a great deal of courage, Alice, in her attempt to return to her world, faces the most unusual adventures and meets peculiar characters, like the Hatter and the Cheshire-cat whose peculiar charms have brought smiles and laughs to children throughout the years.
