

A Personality Development Plan Get this book for just \$2.99, and read it on your PC, Mac, smart phone, tablet or Kindle device. This book contains proven steps and strategies on how to live a happy life after combating against cancer. Cancer is one of the greatest fears of a person, well, apart from phobia of snakes and heights. Cancer may knock your knees down, shake your religious faith and make you want to let go of the string. But do you know that there are ways, many actually, that can help you fight the negative effects of cancer? A simple smile can be a very powerful tool against depression. A short message from your family can already strengthen your knees. Though cancer can do a lot of negative things to you, it can also bring out the best in you, which at the moment may not make sense to you at all. Always remember that there is a light at the end of the tunnel. You can and you will fight cancer and live beyond it happily! This book can help you go through the process of living your life after cancer and how you can find yourself back. Here is a preview of what you'll learn... cancer breaks and cancer heals recover your strength rebuild relationships regain your spirit redevelop your personality much, much more!
