

Excerpt from Proceedings of the Iowa Academy of Science, Vol. 12: For 1904  
Notwithstanding the fact that our meeting last year was held about the middle of April, the printing of Volume XI of the Proceedings was completed before the end of August. Including the introduction and illustrations, this volume contained the full three hundred pages allowed by law, and one paper was held over on account of lack of space. About the Publisher  
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
