

## Sweet Harvest: Book 2 of Luv Dat Poems

Sweet Harvest is the second book in the collection of Luv dat Poems written by Andrea Pinkey Ferguson. The writer offers open and clear thoughts to her audience without reservation, inhibition or fear. Sweet Harvest is full of melodic words written in a poetic manner that plays with the emotions through laughter and tears. Prayers that breeds hope and rekindle lost faith. Courage in knowing that suffering is only in the mind and that peace is found in the same place. Yearnings and desires express in ways that are so realistic that you can feel, smell, see and taste her words. This is a book of life seeing through eyes that have dared to smile as they cry creating a cracked but not broken window to the heart. A raw and real book of songs impregnated with words of melody based on life without the need for music... Life is unlike playing a game for it doesnt comes with instructions. To win depends a lot on insight and intuition, for expertise is only gained through experience...Luv Dat
