

The Druggists General Receipt Book (Classic Reprint)

Excerpt from The Druggists General Receipt Book It was the aim of the original compiler of The Druggists General Receipt Book to collect from various and widely scattered sources, and to condense into a volume of small size and convenient arrangement, a considerable amount of information that might be useful to Chemists and Druggists. In the present volume the endeavour has been made to adhere to this design, and to keep the work abreast with the requirements of the Chemist and Druggist, by the addition of such new forms, receipts, and processes as have sprung into existence since the publication of the last edition. The Veterinary Materia Medica has been carefully revised and enlarged; whilst in the photographic division, obsolete matter has been supplanted by the latest and most approved formul?. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
