

Immensity: Immensity, Thou Dost Hold All That Infinite Can Place Within Thee, but There Are Greater, Yea, Far Greater Places Where Our Father Gives to Us His Higher Knowledge; (Classic Reprint)

Excerpt from Immensity: Immensity, Thou Dost Hold All That Infinite Can Place Within Thee, but There Are Greater, Yea, Far Greater Places Where Our Father Gives to Us His Higher Knowledge; Place thou, O Conscious Thought of the Eternal, within this I have given thee, thy grand, great message. Long have we who are masters of the Seventh waited for the word that we would oft be given the right to place within the earth the knowledge of the greatness and the grandeur of Immensity. Man cannot reach with finite mind the heights that we, as spirit, reach; neither can he understand the glory of the Father. Immensity, thou dost hold all things, and as spirit moves amidst thy glories, we find many things. Why should we not, as we have gathered up this knowledge, place it into words that as we send it forth, it reaches those who need it. I say to thee, O mortal man, that thou shouldst hold thyself strong enough to watch with us the movements within Immensity. None have ever said that they would wish to change all thy beauties. None have ever said that they would serve aught but the One who placed thee where thou art. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
