

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A discourse containing a summary of the proceedings of the directors of the Society for Extending the Fisheries and Improving the Sea Coasts of Great Britain, since the 25th March, 1788., The Programme of Christianity: An Address (Classic Reprint), Discovering the Desert: The Legacy of the Carnegie Desert Botanical Laboratory, Wiltshire Studies Wiltshire Archaeological and Natural History Magazine Vol 97 2004, Self-Reported Crime and Deviance Studies in Europe: Current State of Knowledge and Review of Use (Criminological Studies), A College Algebra, The Standard Library of Natural History; Embracing Living Animals of the World and Living Races of Mankind Volume 1, National agricultural and forestry colleges Eleventh Five-Year Plan Textbook: General Chemistry, Animals from Other Contine -OS (Natural History Notebook) (No 3),
