Becoming Melchizedek Book II Unto Fullness provides a framework for readers seeking to understand the priest Melchizedek now emerging on earth. Unto Fullness completes the vision outlined in book I, foundations and offers one of the fullest pictures to date on Melchizedek and the Melchizedek Priesthood. We will know ramp-up of spiritual power; multiplication of anointings and giftings such that any one Priest may in time walk in the Issachar, priestly and kingly functions; and greater success in intercession and warfare by way of training from Above and working with angels. I include much in the way of spiritual insight relevant to the days ahead. Becoming Melchizedek Book II Unto Fullness is necessary reading for all who are after more. Destiny and fulfillment await.
