

How To Draw A Chihuahua In Six Easy Steps

Step-by-step instructions for drawing a Chihuahua, intended for children and adults who are able to draw lines and shapes and read at a fourth grade level or higher. This can be used for classroom instruction or independent drawing. Drawing can be done using pencil, or any computer drawing software. This method of drawing is a fun way to exercise the right brain. The right brain is responsible for facial recognition, expressing emotions, intuition, spatial awareness, creativity, and other critical functions.
