

The Experiences of a Weight Loss Program Member

Designed to read as a short novel, not a textbook. Intended for any person, attending any weight loss program, and needing help. On my Weight Lost Journey I have read or skimmed many too technical books that told me exactly what I must do, but none gave me the mental support I received during my weight loss program meetings. But still, one thing must still be missing. Why do almost ALL successful Weight Losers eventually gain their weight back ?? In simple, honest terms ... This book tells you how to Succeed for Life
