

My Pretty Little Pumpkin

My Pretty Little Pumpkin

By LaRayne Crist

Illustrated LaRayne Crist

This is a story about a man named Mr. Ferguson who lives in a small town called Sunnydale. Every Spring he plants a few pumpkin seeds in his backyard. When the pumpkins are ready to be picked, he sets a big table in his front yard to sale his pumpkins. Mr. Ferguson places several big pumpkins he just picked on the table and notices a little pumpkin and decides to put it on the table with the other pumpkins too. The story then takes a twist when the little pumpkin falls off the big table and ends up rolling in the gutter on the side of the road and is found by Mr. Brown a store owner in the small town.
