

## God Bless The Ravens

This book began as a journal to record my day-to-day struggle with sin and how I battled it. All the entries in this book are true events that I have dealt with and how I have handled each one. This is not a set in stone guide for someone to follow but an inspirational guide to get you thinking about how to handle your own battles. I hope you enjoy this book as much as I have enjoyed writing it. Mr. S Grubb was born in Indiana, however he has lived in Missouri and Tennessee. He served his country in the US navy during Desert Storm and Iraqi Freedom. Mr. Grubb now serves as a correction officer. He is married with two children. He loves gardening and playing board games with his family.
