

High School Botanical Note Book: For the Junior and Senior Leaving Examinations (Classic Reprint)

Excerpt from High School Botanical Note Book: For the Junior and Senior Leaving Examinations This book is designed to meet the wants of candidates for the Junior and Senior Leaving Examinations of the Ontario Education Department. In addition to the matter of Part I. it contains a brief account of the minute structure of plants, some practical hints for carrying on microscopic work, descriptions of certain cryptogamous types, and a few illustrations of the Bean and the Maize, selected from Sachs Botany and Professor Howes valuable Atlas of Biology. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
