What Success Really Is... Jack has a great wife and a daughter. Hes a white collar worker who has managed to cleverly break away from his job using his talent, and has since started his own business successfully. However, he seems to find thats something is missing from his life - what is the missing gap, why isnt Jack completely happy? Is everything that Jack is experiencing an illusion, or is this what it really means to live life? The Dialogue is the latest book written by best-selling author, Patric Chan, to further explore the meaning of life. In this book, youll discover:

- * What the missing gap in our daily busy life that holds us from feeling fulfilled is
- * Why money in itself doesnt bring success into your life, despite how much you could make, and yet, its still a commodity that you must have
- * What the dialogue really is and why its so important to you
- * What makes you look forward to tomorrow and the same reason why you cannot die, not yet at least
- * The 5 rules of happiness - with this wisdom, youll be able to master happiness

Read this book to uncover the truly wonderful life that you have; through Jacks story. Its time for you to break free from everything else, and understand why your life is so meaningful and beautiful. This book is suitable for:

- Someone Who Is Successful But Feels Incomplete You seem to have everything in your life, especially financially. However, it seems like theres still something missing in your life, and you cant quite seem to understand what it is. Is this all there is to living?
- Someone Who Appreciates Life If youre living your life wonderfully, youll resonate

well with what The Dialogue is sharing and it will further empower you to meaningful living.

iii. Someone Who Likes Personal Growth And Spirituality The Dialogue will inspire you. You'll see your life differently when you start applying the wisdom that's taught in this book.

iv. Someone Who Can't Seem To Be Happy It's not your fault if you're not experiencing true happiness. If you are finding it difficult to find happiness in your life, or if you always feel like a victim of circumstances, The Dialogue may give you a different perspective of happiness.

v. Someone Who Wants To Know What Success Truly Is Is money a benchmark of success? Yes it is, but The Dialogue argues that there are many other components that define true success.

vi. Someone Who Has A Friend Who Is Unhappy With Life Read the Dialogue and see if the message resonates with you. The book may be the one remedy you need to help your friend to stop being unhappy with life, and instead start living a meaningful one. Patric has authored several other books on the topic of success and creating financial wealth. However, it seems like the biggest missing link in life is not truly living it - regardless of how much success and money you may have. After seeing many people becoming wealthy but somehow remaining unfulfilled in their life, The Dialogue is his next message to the world. Furthermore, our world has become very noisy; so it's time to reflect on what's really going on in your life. Read the Dialogue today.
