

Secrets To Great Wealth: Secrets The Rich Would Wish You Never Knew

The Secrets of Great Wealth: Secrets the Rich Would Wish You Never Knew is an interesting story of financial information that can change your life and rewrite your financial story forever. Cast against the background of ordinary-day examples, you will discover the easy possibility that you can achieve financial freedom in your life-time. In fact, right about now, as you heed the instructions it contains, your life can begin to attract the financial fortunes you may only have seen in your dreams. With insight given on how you can play the stock and real estate markets, two reputable and popular investment channels for wealth creation, you may have to sack your brokers in both markets, and still be able to play these markets profitably yourself, creating wealth for your financial freedom in the process. This book covers insightful information on the following areas: It identifies the greatest secret to wealth; It will teach you secret strategies on Real Estate investment in Nigeria with or without capital; It will enlighten you on how to complete a three-bedroom flat with less than three million naira; You will be taught how to become an expert trading on the Nigerian Stock Market without having to rely on your stock broker; It will reveal to you the secret of Marital Harmony; It will help you develop and achieve the goal of financial freedom; You will be helped to discover your purpose and fulfil your destiny; You will learn how to set achievable goals, make good plans and budget your way into wealth; You will discover the greatest business that can give you residual income without you working; You will be inspired to discover and pursue your passions; You will learn how many incomes there are and how to use them to multiply your wealth; You will be exposed on what to do before retirement to live the kind of life you desire in retirement; You will learn how the super rich make their budget; You will also learn

how to tithe your way out of poverty into wealth and how to buy land in Nigeria successfully; including how banks trap unsuspecting Nigerians into mortgage debt and the way out of it. This book essentially teaches that you can rewrite your financial story by yourself!
