

Even if you are familiar with the most well-known bits of animal trivia, this book will expose you to factoids you've never come across before. The TRULY OBSCURE team has scoured the animal kingdom to uncover the strangest, wackiest, and, well, most obscure facts that relate to everything from blue whales to microscopic mites. Whether you like birds, snakes, dogs, sharks, or anything else under the sun, you are bound to be entertained for hours.
